The Secretary for Health, Education and Local Administration Govt. George.

Sir,

I have enclosed herewith a resolution passed at the P.S.P. Conference held in Periya Kasargode Taluk on 2nd May 1955 presided over by me. My constituency (Hosdurg) has no hospital There is only one dispensary run by District Board Periya in my constituency is most backward The above mentioned dispensary is situated 10 miles away from Periya. Under these circumstances I request that a hospital may be opened in Periya. If it is done more than 5 villages with a population about 25,000 will be able to get relief. There are no doctors in these places and as such the people are suffering very much.

The Government may be pleased to consider the above facts and order the
